We agree to join the work of Topeka North Outreach, Inc. in "Reaching Out to our Neighbors in Need with the Love of Christ." We understand that this work requires contributions of time, talent, and treasure to TNO programs so that together, we may reach more people in need in our community. We agree to contribute financially as we are able, and that we will provide two members of our church to serve actively on the TNO Board and attend monthly board meetings. We have received a copy and accept TNO Bylaws and Statement of Faith. Attached is an annual membership fee of \$50.00
